Information and explanation on the various H&R Wheel Spacers including overview of the optionally available DTC Approval Paperwork:

H&R System DR

This H&R wheel spacers # 1655572 for the Audi Q2 GA will improve the handling and the look of your car. With this H&R wheel spacers, the wheels will move outward for a wider, more aggressive stance.

DR Series spacers fit between the wheel and hub and require longer wheel bolts (to be ordered separately). Please verify bolt specifics before ordering (taper or round bolt head and shaft length).
