Artikelnummer: KN-62-1260

K&N 62-1230 SPECIAL VENT FILTER / BREATHER

Hersteller: K&N

Preis: CHF89.90 inkl. MWST. (CHF83.16 8.1 % MWST sind im Preis enthalten)

K&N 62-1360 K&N crankcase vent filters are perfect for racing applications, vintage cars or individuals who want to add some aesthetics to their classic carbureted engine. The 62-1220 crankcase vent filter has a K&N embossed chrome-plated steel top with a black rubber base. The filter is 2-1/8 inches tall, 2 inches in outside diameter with a 9/16 inch flange which is designed to push on to the existing rubber breather grommets. Constructed with a cotton filter media it can be cleaned and reused repeatedly. A 14.79 milliliter pillow-pack of air filter oil included. Note: Legal in California only for racing vehicles which may never be used, registered, or licensed for use upon a highway. See knfilters.com for CARB status on each part for a specific vehicle.

- 9/16 inch clamp-on flange
- Washable and reusable
- Chrome -plated steel top and black rubber base
- Mounts directly onto rubber grommets in valve covers
